

Rotary hay turners VR Series.

The VR hay turners rapidly aerates cut hay. Its rotors have 4 or 6 arms with elastic springs which rapidly distribute hay. Its swivel wheels give it stability and can be adjusted to attach on to a wide variety of the tractors.

 HP	Model	WORKING WIDTH	TRANSPORT WIDTH	 Kg.	Nº ARMS FOR ROTORS
20 - 50	VR 200	200	180	150	4
20 - 50	VR 260	260	160	170	6
