

EXTRA 824R Pro

2.4m Trailed Disc Mower Conditioner

EXTRA 824R Pro

Substance in a Small Package

- Triangular discs with 3 knives.
- Gentle roller conditioning of fragile crops.
- Swivel hitch gearbox allows extraordinary manoeuvrability.
- FlexProtect protecting side covers.

Chevron Roller Conditioner

The EXTRA 824R Pro is equipped with two profiled conditioning rollers. The rollers are the same width as the cutterbar and contra rotate, taking the cut crop quickly off the cutting discs and between the rollers. The rollers provide gentle and effective conditioning of fragile crops such as lucerne/alfalfa, keeping leaf loss to an absolute minimum.

Conditioning intensity is varied by adjusting the minimum gap between the two rollers. Both rollers are driven.

Swivel Hitch Headstock

The heavy duty factory fitted swivel hitch headstock with reversible gearbox, for either 540 or 1000 rpm PTO input, allows unlimited turning angles at constant PTO velocity and ensures trouble-free operations during headland turns or transport.

The swivel hitch headstock with reversible gearbox provides optimal manoeuvring ability.

Model	EXTRA 824R Pro
Working Width (m)	2.40
Transport Width (m)	2.30
Weight (kg)	1900
Number of Discs	6
Number of Knives	18
Power Req. (kW/hp)	44/60
